Seattle Seahawks running back [Marshawn Lynch](#) returned to the VMAC on Thursday after holding out for the first eight days of training camp, looking for more money after helping lead his team to Super Bowl victory.

But on Wednesday, Beast Mode was nowhere to be seen.

As Seahawks fans waited for him to return to practice, with no end of his holdout in sight, [we thought we'd have a little fun](#) with the situation.

Where was Lynch? We put a call out on Twitter, Facebook and our seattlepi.com Seahawks blog for people to submit Photoshopped images with their ideas.

The Twitter hashtag #WhereIsMarshall blew up Wednesday afternoon and evening as dozens and dozens of 12th Men posted their photos. Above is a selection of our 40 favorite submissions.
